RE: DES Wetlands File #2003-00790 93 Long Point Road, Moultonborough

Dear Dr. and Ms. Crawford:

On October 8, 2003, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above-referenced property, more specifically referenced on Town of Moultonborough Tax Map 18 as Lot 72 (the "Property"). The purpose of the inspection was to determine compliance with RSA 482-A and NH Code of Admin. Rules Wt 100-700.

During the inspection the following deficiencies were documented:

1. Slash (tree trunks, limbs, branches) and solid waste (automobile tire, cans, etc.) was observed within a 50' x 35' vernal pool.

In response, you are requested to take the following actions:

1. By December 1, 2003, remove the slash and solid waste debris from the vernal pool and place out of jurisdictional wetland; and
2. By December 15, 2003, submit to DES a narrative describing the work performed to restore the vernal pool. Include photos documenting the removal of the slash and solid waste.

RSA 482-A, the New Hampshire Wetlands law, was enacted to protect and preserve wetlands and surface waters from unregulated despoliation. Prior to dredging, filling, or construction in and adjacent to wetlands or surface waters, an individual is required to obtain a permit. If work is done without a permit, this is considered a violation of RSA 482-A. Failure to respond to this Letter of Deficiency in a timely and complete manner may be construed as noncompliance by the receiving party.

DES personnel may conduct another inspection at a later date to determine whether you have come into and are maintaining full compliance with the applicable statute and rules.

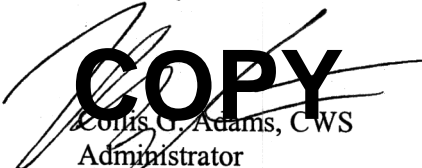

Issuance of this letter shall not preclude further enforcement by DES. Failure to comply with RSA 482-A will result in enforcement by DES, including but not limited to the issuance of fines, administrative orders, or referral to the New Hampshire Office of the Attorney General for prosecution of civil or criminal penalties. If an order is issued to you, it may also be recorded with the Registry of Deeds as an encumbrance against your property.

All documents submitted in response to this Letter of Deficiency should be addressed as follows:
